<b>Application procedure</b>	
<b>Academic requirements</b>	Students should normally be in at least their second year of academic study when they arrive to the University of Worcester and should have at least a C average or equivalent.
<b>English proficiency for non-native English speakers</b>	<p>We recommend that students have a B2 level of English proficiency according to the <a href="#">Common European Framework</a> in order to successfully study at Worcester.</p> <p>Currently, European Union citizens and other students who do <u>not</u> need to apply for a short-term study visa before arrival are not required to have an IELTS test for a one-semester exchange. Where a visa application is not required prior to arriving in the UK, our partner universities are trusted to nominate students who have a sufficient level of English language proficiency. If no previous evidence or assurances are available, an Erasmus Online Language Support placement test or similar will be suitable.</p> <p>Full academic year exchange (2 semesters) students, (including citizens of the EU) need to apply for a Student visa. This will require evidence of English language proficiency in the form of an IELTS test score with a minimum of B2 in all four components of the test. Please note that students should take UKVI Academic IELTS test, and not a TOEFL.</p> <p>Other English language qualifications that can be accepted are:</p> <ul style="list-style-type: none"> <li>- LangCert (we accept Lang Cert Online or Lang Cert Int. ESOL)</li> <li>- Pearson PTE Academic</li> <li>- Cambridge CAE (Certificate in Advanced English) or Cambridge First Certificate</li> <li>- Trinity Integrated Skills in English (ISE)</li> </ul>

They will need to submit the following documents to <a href="mailto:admissionsb@worc.ac.uk">admissionsb@worc.ac.uk</a> by the appropriate deadline:</p> <ol style="list-style-type: none"> <li>1. English language test results, if required for a UK visa application</li> </ol> <p>All documents should be submitted as pdfs. Documents should <u>not</u> be posted to the university.</p>
<b>Visa information</b>	<p>Full academic year (2 semesters) exchange students, will need to apply for a Student visa.</p> <p>Single semester exchange students may need to apply for a Standard visitor visa (maximum duration of 6 months). This has replaced the short-</p>

	<p>term study visa that was previously applied for. Please visit the following <a href="#">website</a> to clarify whether you are a visa national as if you are, you will need a visa before you can enter the UK. If your country of nationality does not appear on the list, it means you are a non-visa national and can enter the UK without applying for a visa beforehand.</p> <p>Please be advised that if you have ever experienced problems entering the UK in the past then you may still need a visa, even if you are a non-visa national.</p> <p>If there is anything you are unsure of, visa advice can be requested from the International Experience team at <a href="mailto:isa@worc.ac.uk">isa@worc.ac.uk</a></p>
