Application Process

Research your options on the Magellan Exchange website, magellanexchange.org, then consult with your advisor and the Magellan coordinator at your school. When you are ready to apply, complete the simple online application. We'll review your profile, confirm your placement and put you in contact with your host institution. In almost all cases, you will be placed at one of your three preferred locations.

Program Costs

You will pay normal tuition/fees to your home institution, as appropriate. You are responsible for international airfare, passport and visa, room and board, textbooks, health insurance and personal expenses. Some member schools may have other miscellaneous fees. Special funds to subsidize international experiences may be available from your home institution.
