“City golf” is a unique tourist tour combining golf with a sightseeing tour. Instead of traditional golf holes, players aim for statues, fountains, benches and flags scattered throughout the city. No prior golf experience is needed! The tour includes an experienced guide who provides fun facts along the way. To add an extra level of excitement, competition and playfulness, different challenges are presented at each hole.

Enjoy a light lunch with a drink (domestic beer, house wine, soft drinks, lemonade or water).

Dinner will be a 3-course meal, including two drinks (domestic beer, house wine, soft drinks, lemonade or water).
